Our Saturday Vigil Mass will be suspended for July; it is our quietest Mass and there are Vigil Masses at all surrounding parishes.
Confessions during July celebrated on request or by appointment.
Eucharistic Adoration back on Thursdays. From August 20th it'll move to the Oratory in the house.

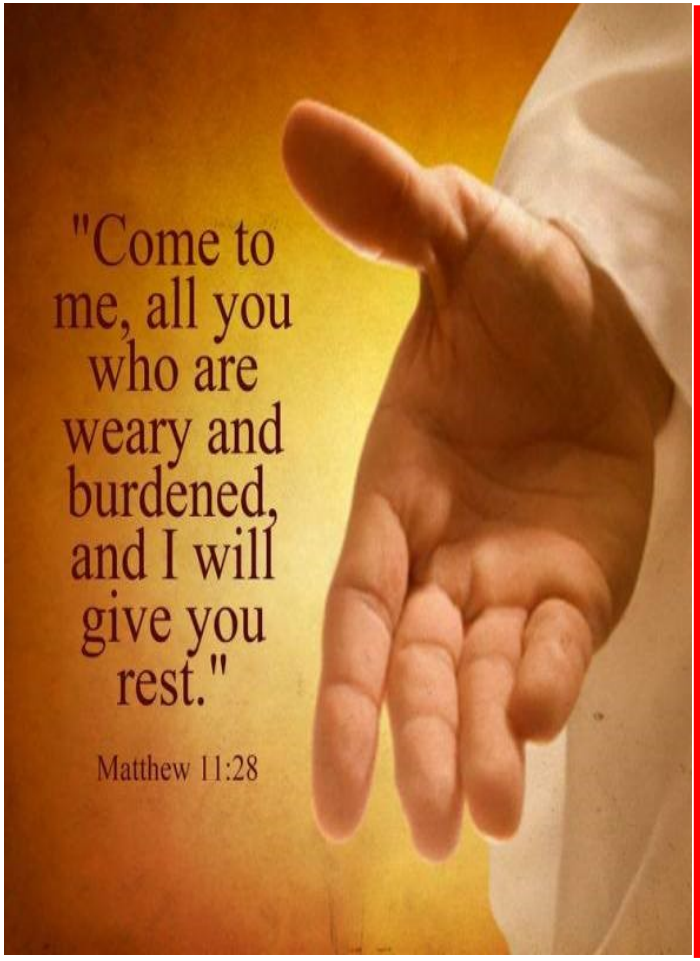

Holy Communion from the chalice *To share the host & chalice is the fullness of the Eucharistic sign and it is desirable to restart this (even tho' some, including ministers, express anxiety)*
Shaking hands at the sign of peace. *Seems straightforward? If you don't want this, do as we have been doing?*
Holy Communion on the tongue. *Still the most dangerous - and it's more usual to receive in your hand. Anyone genuinely unable to receive in the hand must come at the end of the communion procession to reduce infection risk*
Vigil & reception of deceased *This may require as many as 65+ extra services for one priest. Receiving the body before Mass works perfectly well, reduces stress & expense. If there is a demand for the Vigil & reception, we will need to look at lay-led services, in place of a priest.*

The severe famine and drought affecting this poorest of countries is in the media. We're aware of your generosity but also how hard are these times. We're not having a collection but offer you the chance to donate in buckets by the doors as you leave. This will go to SCIAF - our international aid agency who already have partners on the ground. We've started by putting £300 in the bucket!

FINANCE & ADMINISTRATION

Financial investment. Ssuggested we lodge funds in the central diocesan accounts we will get 4% interest - at moment we earn nothing. This last week we invested £75,000 which we retrieve after a year or re-invest. This still leaves the main account operating with £40,000 and the renovation (of the staircase) account with £15,000 All down to your support and generosity.

A Joiner? Can you recommend someone to (once again!!) repair hall curtains? We also need pegs put up in church porch for another project?
